CITY CLERK

Presented to Mayor: MAY 17 2019

Received from Mayor: MAY 20 2019

Amending Resolution 2019R-020 entitled, "Establishing the Upper Harbor Terminal Community Planning and Engagement Committee to serve as an advisory board to the City of Minneapolis and development team on the creation of the Upper Harbor Terminal Coordinated Plan," passed Feb 1, 2019, to change the name of the committee to "Upper Harbor Terminal Collaborative Planning Committee," and adding two members for a total of 17 members.

Resolved by The City Council of The City of Minneapolis:

That the above-entitled resolution be amended to read as follows:

Whereas, the City of Minneapolis, Minnesota (the "City") owns a 48-acre property in north Minneapolis that it once operated as a material barging terminal called the Upper Harbor Terminal (the "Site"); and

Whereas, the City has ceased all barging operations at the Site because of the closure of the Upper St. Anthony Lock on the Mississippi River;

Whereas, the City possesses all the powers of an economic development authority and a housing and redevelopment authority created under Minnesota Statutes in Chapter 469;

Whereas, the City determined to redevelop the Site under its powers pursuant to Minnesota Statutes, Chapter 469;

Whereas, the City and Minneapolis Park and Recreation Board (MPRB) issued a request for qualifications in August 2016 for a development team to assist the City and MPRB with the redevelopment of the site and in January and February 2017 selected a development team of United Properties, THOR Companies, and First Avenue Productions for the role (the "Development Team");

Whereas, the City will need to review and approve the Development Team's concept plan for the Site, allowing the Development Team to proceed with the development of a detailed coordinated plan ("Coordinated Plan"); and

Whereas, the Coordinated Plan will include details sufficient to identify specific development uses and to produce terms for the conveyance of part of the Site to the MPRB for parkland and the sale of other portions of the Site from the City to the Development Team; and

Whereas, the redevelopment of the site will impact the neighborhoods adjacent to the site and the City, and development of the Coordinated Plan benefits from input from the community;

Whereas, diversity, inclusion, equity, and access are values of the mission and vision of the City;

Whereas, the City and Development Team values and strives to incorporate input from a diverse set of community stakeholders in the creation of the Coordinated Plan;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:
